Commodore's Message

It is with regret that I learned of the recent passing of longtime club member Bob Chace. Bob had been an early supporter of racing in Portsmouth, and was a great friend to many. He was the resident artist at Caneel Bay on St. John, and was well known for his art. He donated a piece to the club years ago; it is a painting of Foxy's in the BVI, it hangs by the fireplace. I requested that we re-print a letter

he wrote to the club last winter. (It ran in the January 2006 issue, for those that missed it.) **There will be a Celebration-of-his-Life Gathering at the club on Sunday, June 25 from 2-4.** All are welcome.

On a brighter note, things are shaping up at the club. By the time you read this, the new docks should be in. The dingy docks are assigned, moorings are ready, and the club house is in good shape. Our steward, Ryan, has returned from his winter in Florida and stands by with launch service. Stop by and see him. John McCormack reports the

Sailing School enrollment is close to being full. Now all we need is some good weather! Welcome to our new members that have recently joined the club. **We have our annual New Members Party scheduled for June 24, at 1600 hours.** Please stop by and say hello. Lastly, the monthly Dollar Nights — beer and burgers on the grill will be on the first Thursday of each month to coincide with Thursday night racing. All are welcome.

See you at the club! — Ernie
