Commodore's Message

Two thousand seven was another busy year at KPYC. The Club sponsored three regattas this past season and many KPYC sailors participated in the weekly races sponsored by the PSA. The Seacoast sailing community also said good-bye to Tom Tarbell, our friend and shipmate, who will be remembered in part with a memorial fund established to enable deserving local youth to participate in our Sailing School Program. This past year was also marked by numerous well attended social events, a club spruce-up including paint, curtains, and carpeting, a new outboard for the sailing school launch, a new website (KPYC.net), and a growth in membership which climbed close to 200.

None of this could happen without dedicated volunteers, and I want to thank the out-going Officers and Board Members for their service to the Club. Bill Wansart, Fleet Captain, Doug Keith, Past Treasurer, and long time member Joe Cote – all will be stepping down after three years on the Board. Also stepping down are Treasurer Jerry Maben and Social Chair Laurie Watson. And last but not least, I think a special thanks is owed to Jim Crowell for the great job he did last year as Commodore.

Next I want to welcome newly elected Board Members Rob Pruyn, Bruno Paciulli, and Caleb Sloan – all of whom are avid sailors. Demonstrating a willingness to jump right in, Rob has agreed to serve as our Rear Commodore and Race Committee Chair, and Bruno will be our new Fleet Captain and Chair of the Education Committee. Others who will be serving as Club Officers next year include Bill Becket, who will be our new Vice Commodore, and Tom Dolan, Dave Bush, Adam Baker, and John McCormack have

all agreed to stay on in their current positions – Secretary, House Chair, Quartermaster, and Sailing School Director, respectively. I also want to recognize Bill Pope, our newest Officer, for agreeing to serve as the Club's Treasurer.

And finally a brief word about the new Commodore. My wife, Charlene, and I love to spend our summers cruising our sloop, *Kismet*, along the New England coast – and to dream of winters cruising warmer climes. We joined KPYC in 1999 and shortly afterwards, I volunteered to take on the Secretary's duties – a position I held until last year when I served as Vice Commodore. And now I'm really looking forward to 2008 and working with our new Board and Officer team.

I hope you had a great Holiday Season and Best Wishes for the New Year!

— *Gil Gelineau, Commodore*

New Club Rental Policy

At its December meeting, the Board approved an update to the Club Rental Policy. The more substantive changes are: (1) You'll need to contact Maria Sillari, the Club's Bookkeeper to make a reservation; reservations will be posted on the Club's website calendar, and (2) You will need to sign a release which highlights your responsibilities as a renter. A copy of the new policy is printed below. We are in the process of posting the new policy and release form on the Club website.

1. Basic Information

Club members may rent the Club for private functions on a first come, first served basis after October 15th and before May 1st. No rentals are permitted from May 1st through October 15th. Any member who rents the Club must be present at the event. Members must make arrangements to rent the Club if they want to have exclusive use of the Clubhouse or if they plan to decorate the Clubhouse.

2. Requesting A Reservation

Club members wishing to rent the Club must contact the KPYC Bookkeeper and provide the following information:

Member's Name	Send to:
Date Requested	Maria Sillari, KPYC Bookkeeper
Start & Finish Times	MSillari@comcast.net
Email or Street Address	P. O. Box 373
Phone Number	New Castle, NH 03854
	603-430-2129

The Bookkeeper will notify the member if the Club is available. Once notified, the member must:

- Send two checks payable to Kittery Point Yacht Club – one for the Rental Fee (\$200.00) and the second for the Deposit (\$150.00) – to Maria Sillari, Bookkeeper, Kittery Point Yacht Club, PO Box 373, New Castle, NH, 03854.
- Include the event date on each check.
- Rental and Deposit checks must be received no later than two weeks prior to the scheduled event.

- Sign and include with the checks a Release & Hold Harmless Agreement.

3. Reservations Posted On Club Website (www.kpyc.net)

Once your date is confirmed by the Bookkeeper, your reservation will be posted on the KPYC website calendar. The website calendar will generally be the most up-to-date record of Club reservations. The calendar on the bulletin board at the Club will also be maintained on a best effort basis.

4. Member Responsibilities

During an event, post a sign on the front door to alert all members "Private Member Event Underway." Members who rent the Club are responsible for being familiar with and following House Rules and the Information for Rentals of the KPYC Clubhouse. You may not use the Club's beverage refrigerator during your event, so please plan accordingly. Your Deposit check will be destroyed once it has been determined that you have complied with these policies and there are no damages.

5. Cancellations

If you need to cancel your reservation for any reason, please notify the Bookkeeper immediately. Any payments will be refunded, and the date will be freed up for use by another member.

6. Questions

Please direct any questions or suggestions regarding the Club Rental policies and procedures to the Social Chair.

Toilet tissue and waste... period. Anything else will damage our septic pump. Over the holidays our system failed, and we had to replace the pump at a cost of \$2,000. Two days later it clogged again – plugged up with paper towels or other foreign matter. You can help... now you know how... thank you :-)

Tom Tarbell Scholarship Fund

GROVES DINNING

KPYC IS PLEASED TO ANNOUNCE that the board of directors has established its first perpetual scholarship fund for the sailing school.

As most of you know, we lost an avid sailor, yachtsman and fellow racer over the summer. Tom Tarbell was an avid and accomplished J/24 sailor and his competitive spirit will be missed out on the race course.

At the time of his passing, I felt Tom wanted to be remembered as a strong advocate to our sailing school. With the support of the local J/24 Fleet, I proposed to the board of directors that we set up a perpetual scholarship fund for children in need of sailing lessons. The board unanimously approved this fund and I announced it at Tom's memorial service. We had an outstanding response. Independent Boat Haulers has committed to a limited matching funds. We have raised over \$3,500 to date.

The local Family Seacoast YMCA has agreed to screen and provide these students throughout the summers.

I'm sure Tom and his family will appreciate this remembrance of him with this scholarship in the many years to come.

I would like to thank all of the people who have contributed to this fund and hope that the kids in the future who will benefit from this scholarship will appreciate its intention.
